LEARNING OBJECTIVES WORKSHEET

This worksheet is to help you prepare your learning objectives. The objectives must be new and expanded learning experiences. They must be specific, measurable, and attainable within the given semester. They should be developed and written by the student, then reviewed and approved by both the student’s supervisor and the Work Experience Education instructor.

Use this form to help you get your objectives formulated before you complete the ‘Work Experience Performance Agreement’.

WRITE OBJECTIVE #1
What do you want to learn? ____________________________________________________
