

Developmentally Appropriate Practices Paper & Observation

You must use college level English (proper spelling, grammar, sentence structure and paragraphs usage), this assignment is to be typed in 12 point font, double spaced, with one inch margins, and in black ink and all pages need to be stapled together prior to coming to class. Check course schedule for due date.

Definition: Describe in your own words “Developmentally Appropriate Practices” as defined in “Developmentally Appropriate Practices” text and as discussed in class. - 5 points

Narrative Observation: Type up a narrative observation in an early childhood setting that is NOT developmentally appropriate, but some might consider it appropriate. - 10 points

Written Discussion: Then on a separate paper discuss why the situation is NOT appropriate and how the situation could be changed or modified to make it developmentally appropriate. – 5 points
