for

## ECS 301, Child Growth and Development

Journals are to be turned in on the day of the final. All work is to be in a three-hole report folder. (No 3 ring binders will be accepted.) The following items need to be included:

### Section I - REQUIRED

1. **Key Terms.** The key terms from the back of each chapter with its definition. The definition needs to be in your own words, NOT copied from the textbook. If you must use more than three words in order from any source you must cite it or it will be considered plagiarism and result in an F. Key terms need to be in alphabetical order as listed in the back of each chapter and numbered.

Example:

Chapter Six

1. **Key Term:** Definition in your own words. Any quotes must be cited.

### Section II - EXTRA CREDIT (1 point per question if correct.)

1. **Potential Essay Questions** by chapter. Type question number, then the question followed by the essay response.

Example:

Chapter Six

1. **Potential Essay Question:** Your essay response in paragraph form.
