1. What Early Childhood Studies courses have you completed and when? (Use course titles) **Highlight** the courses you are currently taking.
2. Why are you taking Child Growth and Development? (Please be specific.)
3. What do you expect to learn from this course?
4. How do you hope to use the information you learn in this course?
5. Please be specific when describing what, if any, experience you have working with young children. (Include all experiences, including parenting, baby-sitting, caring for much younger siblings, etc.)
6. What college English classes have taken? If you haven't taken any have you taken the English writing assessment evaluation? If not why not?

On the back of this paper using your best writing (use proper grammar, spelling, etc.) to write a full one page detailed description of what reasons you have for studying child growth and development? How will you use or apply this information?
